GOLF NEWS

I hope everyone had a Merry Christmas and a Happy New Year! Typically, January and February are not the best months for playing golf, but Spring will be here before we know it. **Let's take advantage of this slow time of year and get our equipment geared up and ready for the golf season. Please let me know if you need new grips or require club adjustments. We will be hosting Demo Days in March so keep your eyes open for those dates.** We look forward to a great year of golf in 2020 and plan to add a few new member events throughout the year. **One activity this spring will be a Lady's Golf Clinic on Sunday afternoons. I will have a schedule out for that clinic next month. Also, we will continue offering the Operation 36 Junior Golf Program starting in March. Please let me know if you have a junior golfer, ages 7-18, that might be interested.**

See you on the course soon,
Carter
