June 2021

Golf Course News

The Golf Course is whipping into Summer shape! Aerification of the greens was completed on June 7th. Putting greens receive more traffic than any other playing surface. The aeration process helps relieve the compaction caused by all that traffic. It also helps create a firm, smooth putting surface by controlling thatch and promoting healthy turf roots. Please continue to obey all golf cart rules: **Cart Path Only, No carts 30 yards from the greens, No carts on any tee boxes, repair all ball marks & fill divots with sand.**

BACCHANAL

2021 Bacchanal will be August 5th-7th. Bacchanal is our annual Member-Guest Golf Tournament. This is the biggest party of the year. Registration information will be mailed out in the coming weeks. This is a limited field & it will fill up quickly! You do not want to miss out on this event!
